CONSIDER TAKING ECON 10A AND/OR PSTAT 109 THE SUMMER BEFORE ARRIVING AT UCSB TO LIGHTEN YOUR FIRST QUARTER COURSE LOAD. Do not take both of these courses in the same summer session.

[^] This course can be taken before or after declaring the major.

*Complete "Change of Major" paperwork during this quarter by coming into the Econ undergraduate office, North Hall 2121. Both courses must be completed before doing this paperwork and the pre-major GPA must be satisfied before you can declare the full major.

Note: Economics 189 and 199RA do not count toward the major.

For more information regarding course availability, see <https://econ.ucsb.edu/undergraduate/courses>
Please also look at the [UCSB General Catalog](#) for course descriptions and course prerequisites.
