^ This course can be taken before or after declaring the major.

*Complete "Change of Major" paperwork during this quarter by coming into the Econ undergraduate office, North Hall 2121. Both courses must be completed before doing this paperwork and the pre-major GPA must be satisfied before you can declare the full major.

Econ 137A is a prerequisite for 136B and 136C is a prerequisite for 118

Note: Economics 199RA does not count toward the major.
